## Special Services Program

April 8, 1983

Mr. Phillip Thomas  
Director of Marketing  
The New Newark Symphony Hall  
1020 Broad Street  
Newark, New Jersey 07102

Dear Phillip:

Congratulations, the program "Business After Hours" was a great success. Thanks for inviting me. I was able to speak with so many business people who have services that would benefit my Program and the University proper as well. All of those rich resources were uncovered because of your good work. Continue these good things, and who knows, they may have to rename the City of Newark to . . . .

Sincerely,

  
Wilma Gilbert  
Director
